How soon will coverage begin?

If the enrollment application and membership fee are received by TDAHP on or before the 20th of the month, membership will begin on the 1st day of the following month.

How do I find a dentist?

Simply pick a dentist from the directory. For the most updated directory, visit our website at www.totaldentaladmin.com. Be sure you include their ID number on your enrollment form when you sign up on line or on the enrollment form.

How do I receive care?

Upon enrollment, you will receive one TDAHP membership ID card. Telephone your selected dentist to make an appointment and present your TDAHP ID card at the time of your appointment. When you receive care, simply pay the member co-payments listed on your fee schedule directly to the dental office. Fees must be paid in full at each visit. Of course, there are no deductibles.
